

# EY Workshop – Future of the Audit

## Supplement to Lecture International Accounting

---

**Come with us on a discovery journey to the future of the audit!**

▶ **What will be the focus questions for our workshop?**

- ▶ Will disruptive developments also capture the audit profession?
- ▶ How do we use big data and advanced data analytics in the audit process?
- ▶ Which impact will technologies such as robotics process automation (RPA), artificial intelligence (AI) or blockchain have on the audit profession?

▶ **When?** 9 December 2016, 2 pm

▶ **Where?** EY Office Munich

▶ **Who?** Students enrolled for the lecture International Accounting as well as bachelor and master students who are interested in the future of audit

▶ Following the workshop, EY invites you to its **Happy Hour** at the EY Munich Office

▶ **First come, first serve!**

Apply until Friday, 2 December 2016, by contacting: [haimerl@bwl.lmu.de](mailto:haimerl@bwl.lmu.de)

**We are looking forward to meeting you!**
